Principals of Engineering Management, Inc. have had an on-going relationship with the Georgia Department of Natural Resources, State Parks & Historic Sites Division since 1996.

Projects have ranged from extremely small to comprehensive in nature; and have included roads, water, sewer, site planning, expansions, rehabilitation, and various required services for infrastructure and facilities.

State Park locations served by EMI include:

Amicolola Falls
Bobby Brown
Elijah Clark
Ft. McAllister
George T. Bagby
Hard Labor Creek
High Falls
Laura S. Walker
Mistletoe
Red Top Mountain
Richard Russell
Sprewell Bluff
Suwannee River
Victoria Bryant
